SMARTER STUDY ABROAD

Credit Information: One completed course at Siam University is worth 3 credits, which usually translates into 5 ECTS (European Credit Transfer and Accumulation System) credits or 3 US credit points.

Course documents

You can find a list of all the courses together with short descriptions in the [course list and summaries](#). See also the [general study plan](#), which shows you the semester the courses are usually arranged. You can find all the available detailed course descriptions by clicking on the link below:

- [Business Administration – Syllabi](#)

The syllabi are exemplary and available for most courses. The remaining syllabi will be handed out at the beginning of lectures at the latest. In the course schedule documents, the terms “first”, “second,” etc., refer to first-year studies, second-year studies, etc., meaning the year in which degree students are expected to take the courses.

Availability of courses

The *Core Courses* (2.1) and the *Required Courses in the Major Field* (2.2) listed in the course catalog occur every year in either semester 1 or 2. When choosing the courses, make sure they will be organized during your semester by looking at pages 2 and 3 of the catalog. The courses listed under General Education and Major Electives cannot be guaranteed. If you wish to choose one of these courses, it is recommended to choose one of the core courses as a plan B. A precise course schedule will be available at the beginning of the semester.

Please note that some of the details in the course descriptions may change depending on the trimester, and some courses may have their former course code.

FULL DEGREE

The MBA follows a 15-week trimester system. You can start your studies either in the summer, autumn or spring semester. The entire MBA degree can be completed in a minimum of 12 months. Some participants will complete the coursework in 12-15 months and then take another semester to complete a business project (regular track). The majority of the students complete the degree requirements within 18 months. The program's flexible schedule also allows for simultaneously having a full-time job, if needed. Courses are offered on weeknights/weekdays and weekends for your convenience. The program also includes company visits and field trips. The MBA program has nine different areas of specialization (groups) from which the students can choose to best complement their career objectives.

MBA degree course outline

The MBA degree at Siam University consists of:

- 8 core courses (students take 5 compulsory core courses and choose 3 out of 8 selective core courses) (24 credits)
- 3 elective courses of the major area of study (9 credits)
- 2 free elective courses (6 credits)
- 1 independent study or case study (3 credits)

OR

- 8 core courses (students take 5 compulsory core courses and choose 3 out of 8 selective core courses) (24 credits)
- 2 elective courses of the major area of study (6 credits)
- thesis (12 credits)

Study abroad students can choose 3-5 MBA courses per semester. MBA students can also choose BBA courses, as long as the total number of courses per semester is not more than 6. Courses are offered in a cycle according to this [general study plan](#). The final course offering will be available at the start of the semester.
